

bsport QUICK START — Adam's Cheat Sheet

2-minute read. Covers the 6 things you'll do most often. Full PDF above in chat.

1. LOGIN

- URL: <https://backoffice.bsport.io/>
 - Email: adambot@yogaforbjj.net
 - Password: kimiclaw321
 - **NOTE:** Use the shared Chrome browser. Direct login from your environment fails.
-

2. NAVIGATION — What's on the Left Sidebar?

Typical bsport backoffice sections (top to bottom): - **Dashboard** — Revenue, attendance, booking stats. Customizable graphs. - **Calendar** — Where you create classes, workshops, appointments. The heart of scheduling. - **Schedule** — Staff availability, teacher schedules, room bookings. - **Members** — CRM. Member list, tags, filters, imports. - **Products** — Passes, subscriptions, memberships, workshops, gift cards. - **Transactions** — Payments, refunds, invoices, failed charges. - **Marketing** — Email campaigns, SMS, smartlists, automations. - **Inbox** — Direct messages to/from members. - **Reporting** — Detailed analytics (attendance, revenue by activity, etc.). - **Settings** — Integrations (Stripe, Zoom, Kisi), notifications, roles, personalization. - **My Studio** — Branding, app customization, establishment settings. - **Access Control** — Kisi door integration, check-ins.

3. CREATE A CLASS (Calendar)

Path: Calendar > Click date > “Add an activity”

Fields you'll fill: - **Activity type** — Choose from existing types or create new. - **Date & Time** — Single or recurring (daily/weekly). - **Teacher** — Assign staff member. - **Room/Establishment** — Where it happens. - **Capacity** — Max participants. - **Level** — Beginner, intermediate, advanced (optional). - **Credits** — How many pass credits this class costs. - **Price** — If not covered by membership. - **Description** — What members see.

GOTCHA: You cannot assign 2 teachers to 1 class. Affects payroll if you need co-teaching.

4. FIND A MEMBER (Members)

Path: Members > Search bar

Search by: - Name, email, phone - Tags (e.g., “Staff”, “VIP”, “Beginner”) - Membership type - Pass type

Member profile shows: - Contact info - Active passes/subscriptions - Booking history - Attendance rate - Tags - Notes

5. SET UP A PASS OR SUBSCRIPTION (Products)

Path: Products > Passes (or Subscriptions)

Passes (pay-as-you-go): - Name, description - Number of credits - Validity period (e.g., 30 days, 90 days) - Price - Which activities it applies to

Subscriptions (recurring membership): - Name, description - Billing frequency (monthly, yearly) - Price - Cancellation terms - Which activities included - Pause rules

GOTCHA: bsport is modular — you pay per feature. Marketing, client app, payment integrations are add-ons. Don't be surprised if some features need unlocking.

6. SEND AN EMAIL (Marketing)

Path: Marketing > Smartlists > Create Smartlist > Send Mail

Steps: 1. Create a Smartlist (filtered member group) - Filters: Tags, membership type, attendance, last visit date, etc. 2. Click “Send mail” on the Smartlist 3. Choose template or write new 4. Preview and send

GOTCHA: Email deliverability — you may need to set up CNAME DNS records with your domain provider (OVH, GoDaddy, etc.) to avoid spam folders. bsport team sends you the codes.

QUICK REFERENCE — Common Actions

Action	Path
View today’s classes	Calendar > Today’s date
Check who booked	Calendar > Click class > “View bookings”
Cancel a class	Calendar > Click class > “Cancel”
Add a new member	Members > “Add member”
Import members	Members > “Import” (CSV)
Process a refund	Transactions > Find payment > “Refund”
Check revenue	Dashboard > Revenue graph
Set staff schedule	Schedule > Teacher > Add availability
Connect Stripe	Settings > Integrations > Stripe
Set up Kisi doors	Access Control > Kisi settings

KEY GOTCHAS FROM REVIEWS

1. **Two teachers per class:** Not possible. Plan accordingly.
 2. **“Pay later” option:** Members can book without paying online. They pay in-studio. You’ll mark as “Manual Payment.”
 3. **Email unsubscribes:** Some users report unsubscribed people still getting emails. Check Smartlist filters carefully.
 4. **Payout delays:** Some studios report delays in receiving payouts. Factor into cash flow.
 5. **Support hours:** Weekdays 8AM–5PM only. Weekend issues wait until Monday.
 6. **Modular pricing:** Features are add-ons. Your base package may not include Marketing or Branded App.
